MENDING THE SOUL

<http://www.mendingthesoul.org>

MTS (Mending The Soul) is a model for survivors of abuse/trauma peer support groups. It is an integration of scientific and social research on healing from abuse with a biblical foundation.

February 2014 through May 2014 an evening MTS peer support group for survivors of present or past abuse/trauma will take place. Priscilla Borden and Phyllis Swirka will be the trained co-facilitators of this group. It is a 14-week commitment to healing from the pain and trauma of the past, growing closer to Christ and a deepening of faith in God.

All participants in this group will be expected to regularly attend one weekday evening from 7 to 9 PM for 14 weeks and work in the MTS workbook between meetings. Attendance and what is shared in group is totally confidential. The group will have no more than 6 group members plus the two facilitators. **Registration for the MTS peer support group begins on December 15th. Anyone who wishes to join the group is required to be registered no later than January 12th, 2014.** No one can attend this group without preregistering and meeting with Priscilla and/or Phyllis. The enrolment process is an important part of “Mending the Soul”. It has been designed to help facilitators discern the readiness of each participant for peer group participation. A MTS participant must be ready to begin telling their story and listening to the stories of others.

Any one wanting to know more about MTS or would like to attend the MTS support Group starting February 2014 contact Priscilla Borden at [508-451-9301](tel:508-451-9301) or email ArachneAS@aol.com.
