PRAYER WALK

GROW THE VISION-FULFILL THE MISSION

NEXT Sunday, July 13th 9:15-9:45 am

Please join us as we pray and walk a circle around our church with God's promises. We will be praying unified prayer petitions for our Pastor, church leaders, ministries, current and future church family, and church financial concerns - involving God's will for us here at Community Covenant. Let's step out in faith and pray a circle around our church so that God can make His move. We want to step into His miracle for CCC.

ARE YOU POWERPOINT SAVVY?

We are looking for someone to take over creating the PowerPoint presentations for Sunday worship. If you are interested in taking on this important task, please see Pastor Olson.

VBS—WILD ANIMALS TO THE STORAGE ROOM

Thank you to all who have offered to loan the church "props" for this year's Vacation Bible School! We are requesting that all "wild" animals, including deer, be placed in the storage room to the right of the stage by July 12. All lanterns, tents, boats, and other items on loan can be placed in the storage room as well. Please don't forget to mark your items with your name, so that we can be sure to return each to the rightful owner. Artificial Christmas trees will be assembled on the weekend of July 12, if you are able to assist us in assembling tree(s) you may be donating, please let Gabrielle know. Otherwise, we'll ask that you label your tree(s) so that we can return each to its rightful owner. Again, THANK YOU for helping us to make this year's SonRise Vacation Bible School a success!

COVENANT HOME ALTAR

The *Covenant Home Altar* for July-August-September is now available on the table in the narthex.

ENERGY SAVING EFFORTS

Recently, National Grid performed an energy audit and recommended some ways we could reduce our energy consumption and save some money. This past week, we replaced several light bulbs with more energy efficient ones and also put water-saving devices on the kitchen faucets.

As part of the incentive for the program, National Grid paid for over 70% of the cost of these updates. The total cost was \$5202, of which we paid only \$1290. Our increased efficiency will help the environment and our budget!

We have put the used-but-working bulbs in the entryway for people to take and use at home. Feel free to take what you need!

BATHROOM RENOVATIONS

The bathroom renovation project will begin on Tuesday, July 22nd and will take approximately 3 weeks to complete. Therefore, for three Sundays (July 27th through August 10th) there will be only one toilet in the building (in the nursery) and one portapotty outside. So for those three Sundays, you may want to make sure you go before you come to worship!

IMPORTANT INFORMATION
FOR PARENTS

With the onset of nice weather, our Childcare Coordinator will be taking children outdoors most Sundays, during the Worship hour. Please consider putting sunscreen on your child prior to bringing them to church, to avoid sunburn. We are looking for donations of spray sunscreen to be used as a back-up, or for new attendees.

Bug spray should also be considered, as the children will be spending time in the children’s area garden plot! Be sure to ask your child what they’ve planted in the garden and what’s growing...

Sneakers or other garden shoes can be brought to church for your child to change into prior to gardening time. Please, no flip flops or slippery shoes; we want garden time to be fun and educational!
