# NEW ADULT SUNDAY SCHOOL CLASSES

January 4 – March 29, 2015

Be here. Now. Take some time. Think. Do you understand who you are? What you were called to do? Pause. Take it in. What is your community? Who is your church community? Where do you go to gather with other believers and study God's word? Do you have a presence? If you don't bother what would happen? Would you like to leave a mark? Would anyone notice? What steps are you taking to grow in Christ? Don't worry about the past. The future will come later. It's all about now. Here. Go all in. Sunday School. It's for life. Be rooted. Focus. Look at the big picture. Look at the small pictures. We need your undivided attention.

## *ALPHA CLASS*

### *Why Am I Here?*

Facilitator: Brandon Goad

What do Christians believe? Who is Jesus? Why and how should I read the Bible? How can I make the most of the rest of my life? These are only a few of the questions we will attempt to answer in the Alpha course. Alpha is designed for everyone, whether you've been a Christian your whole life, have only just recently become a Christian, are just curious about what Christians believe, or anything in between. During this course, we will investigate the basic beliefs of Christianity and learn how they matter in everyday life. So, please, come and join us, and bring all of your questions and curiosity.

## *AMOS*

### **An Encounter with a Book in the Bible**

Facilitator: Pastor Dave Capozzi

How can we begin to relate to the message delivered by a "minor" prophet to the nation of Israel around 2,760 years ago? In this class, we will seek to answer that very question. Through our study of the prophet Amos, we hope to understand some very difficult warnings relayed to the people of Israel, and decipher how his testimony can impact us today.

If you've ever been intrigued, confused or even terrified by the often tough to swallow message of Israel's prophets, this study of Amos is a great way to begin grappling with these challenges. Our hope is to grasp the context in which Amos delivered his message, in order to more deeply understand how God views covenant relationships.

Join in the fun. Both classes are open to all adults (post High School – Senior Adult). **Sunday School is for all ages.** After all, we are all life-long learners. Sunday School is not just for children. God wants everyone to develop into mature followers of Jesus Christ. Here is a great opportunity to be on the learning/growing journey with Christ. See you in Sunday School.

*Pastor Don Olson*
