COMMUNITY GARDEN

The snow is finally gone! The crocus are blooming, and the daffodils are not far behind. Garden centers are gearing up and seed displays abound. (I already have mine, and the peas are in the ground.)

Remembering the bounty we enjoyed from our “Community Garden” last year, perhaps you’ve thought you’d like to have a hand in producing vegetables and/or flowers in God’s little green acre. Now is the time to reserve a plot or two. We already have two people signed up, and it’s on a first-come, first-served basis. No gardening experience necessary. If you can make a hole for the seeds, pull weeds, and handle the hose for watering, you’re golden. That, and commitment, is all it takes. Free advice is available for the asking. There is a nominal charge of \$10 per plot, which goes toward upkeep and maintenance.

Don’t miss out on this great opportunity. See Sandy Brown or Chris Smith for your assigned plot(s).

PHIL JOEL MESSAGE MUSIC MINISTRY

ABOUT PHIL

For over 18 years, New Zealander Phil Joel has been a mainstay in Contemporary Christian music with his upfront role as bass player and vocalist for the Newsboys, along with the music of his six solo CDs.

January '07 marked a new chapter for Phil after announcing he would be stepping out of the band after thirteen years to focus on his growing desire for more hands on ministry.

Over the last 5 years, he's had the opportunity to perform, speak and lead worship with ministries such as Focus on the Family, Winter Jam, Acquire The Fire, Harvest Crusades, Men At The Cross and many churches throughout the US, Canada, New Zealand and Australia.

THE MESSAGE

In 2005, Phil and his wife Heather began **deliberatePeople** - a ministry focused on communicating God's desire for us to live in true relationship - **first with Him** and then with those around us.

A "deliberate person" is one that passionately pursues their personal, one-on-one relationship with the Lord everyday and is allowing that **PRIMARY RELATIONSHIP** to permeate all areas of their life:

This is the heartbeat of Phil's message.

Anytime he speaks (whether it be the main message delivered on a Sunday morning, a Youth Event, a Men's conference, or Special Ministry Event) Phil weaves **message, testimony and music** throughout his time of sharing, reaching people with a message that is relevant to every age and stage in life.

THE MISSION

The mission behind the message is to see people inspired to proactively seek the Lord and walk with Him in a new way - ready, willing, and above all "able" to move forward in

their faith with a fresh hunger for more of God's Word, Power and Presence in their daily lives.

THE MUSIC

Phil draws from his 6 solo albums and multiple Newsboys CD's to communicate the story of a life radically changed by God.

He is currently in the studio working on a project from his new worship band **Zealand** - due late 2013.
