VBS 2016: SONSPARK LABS!

Snowstorms are coming, so it's time to start thinking about VBS 2016, *SonSpark Labs!!!* July 11-15, 9am-noon. We will have an informational meeting for anyone interested in volunteering for *SonSpark Lab* after church on Sunday, March 13. We will meet in the library, and a light lunch will be provided. Children are welcome! If you have a love for all things scientific, we are on the hunt for a few brave adults to lead the *Mad Science Lab Center*. Looks like we're talking dry ice, flying objects, etc... This center will be held outside in place of traditional games. If you're interested in leading this center, or have any questions about *SonSpark Labs*, please see Betti Buzzee or Gabrielle Olson!

AN FYI FOR OUR CHURCH FAMILY

Did you know that meals can be provided for people in our congregation who have a need for this assistance due to extenuating circumstances involving health issues or other life events that impact their ability to provide meals for themselves and their families?

This service can be accessed through the church office. When a call comes in, the office will contact Sandy Brown or Beth Stewart who will contact the person in need to obtain the specifics and arrange a schedule of meal delivery through willing volunteers. If you learn of someone who has a need, please call the church office and we will be certain to call and get the details from the person in need. If you would like to volunteer to make a meal, please let the office know that, too!!
