TODAY

Letters to Heart to Heart Children in Honduras.

Everyone has the **opportunity** to send letters, notes or cards to the children and teens at Heart to Heart in Honduras. We will have a table set up on **October 16th & 23rd** with names of children to correspond with. Some of us have been corresponding with them for over five years. Eleven of our congregation went to the Children's Village in September of 2011.

Many changes have taken place. The Mary Frenter Bilingual School was established in 2012. A new building was just constructed and now houses all the grades. Many of the young people are attending college either in the United States or Honduras. Every year more children come to live at The Village.

Please take this **opportunity** to write to a child. The letters no longer need to be translated into Spanish. The children love receiving notes. Thank you for your interest in this mission.
