What happened on that day of Pentecost?

This event is recorded in Acts, Chapter 2: "And when the day of Pentecost ([*ten hemeran tes pentekostes*] (from the original Greek word)) had come, the disciples were all together in one place" (2:1). All of a sudden, a sound came from heaven, like a strong wind, filling the house where the people had gathered. Something like tongues of fire rested on their heads. "And they were all filled with the Holy Spirit and began to speak in other languages as the Spirit gave them the ability to speak" (2:4).

What if Almost Everything You Know About Aging is Wrong!?

Do you like Ted Talks and live Music? (Yup!) Do you like free stuff? (Yup!) Are you getting older? Yup! Do you live in a culture that prizes the illusion of youth over the truth? (Absolutely!)

The ChangingAging Tour is a nationally-touring live stage event produced by our own Mike Bolinder. The tour, created by world-renowned physician, speaker and innovator Dr. Bill Thomas, offers live stage events designed to offer wildly positive views of aging as a form of continued growth, while challenging damaging misconceptions about aging and stereotypes about older people.

There are two tour stops nearby:

June 14th at the Kennedy Center in Quincy

June 15th at Showcase Live at Patriot Place in Foxboro.

Each stop features two 90 minute unique live shows:

Disrupt Dementia, an exploration of living well day-to-day with cognitive changes that come with dementia and Alzheimer's. This show offers an incredibly positive view on life and challenges the idea that people who live with dementia are lost. The audience is for anyone whose life is personally or professionally impacted by dementia and cognitive change. Featuring musician Samite Mulondo

Life's Most Dangerous Game, a wildly entertaining exploration of aging as a form of continued growth. This show explores the illusion of youth and instead invites us to embrace the truth about getting older - that the second half of life offers rich possibility, deep meaning and wonderful relationship experiences. Featuring Dr. Bill Thomas and musicians Nate Silas Richardson and Namarah McCall.

Tickets are normally \$20, but the tour has generously offered free (YES FREE!) tickets to our church community. The only ask is that you consider bringing a friend, neighbor, relative or colleague along to the show.

To redeem your free tickets, please visit ChangingAging.org/tour and select the tour date and show you'd like to attend. enter the code CCCEB in the coupon field, and the price will update to FREE.

If you're not a computer person, see Mike at church and he will give you paper tickets.
