Childcare during Worship

We've added a "transitional" room during the church service for children who are too old for the toddler room yet not ready for children's church. As a church family our goal is to minister to all of our children in the best way possible. Our transitional room will allow children with special learning needs to continue to have a place where they can be ministered to with toys for their abilities and levels. We're also undergoing a bit of a toy renovation in the toddler room. **Here's where you can help!** First, please pray for us as we move forward with these ministries. For those who are able, we'll also have a gift registry set up at Toys R Us under the name of Community Covenant church where you can buy items for our children. The registry will be up and running from August 15th through August 21st. You will be able to access the list of items online at www.toysrus.com or by going to any Toys R Us store. We realize that not everyone is able to help, so please know how very much we appreciate your prayers as we move forward in these ministries.

In His love, *Betti Buzzee*
