GLOBAL MISSIONS PROJECT

An update to our congregation regarding our Missions Support Project
Your gifts (to date) in support of this project total \$1,440.

Thank you so much for your outpouring of help! We were able to send checks for two months to all the Missionaries we support with the exception of Pilgrim Pines and Seafarer's Mission, which both received one quarter of their yearly budget! Praise the Lord!

We are continuing this project and anyone wishing to take part, please place your donation in the offering plate. You can specify which mission your donation is for on the envelope or simply write "missions" on your check or envelope and we will disperse all funds equally. If anyone thought they missed their opportunity to give, there is still plenty of time. The Leadership Team will be in the Library after church once again with donation tags for you and will answer any questions as well!

Again, thank you for your support.
