TODAY

Rev. Stephen Cushing, preaching
Sermon Title: “Save Your Happy for Heaven?”

Current Opening

Administrative Assistant at Community Covenant Church

After devoting considerable time and skill to the needs of our pastoral staff and congregation, Martha will be leaving us to join family in the state of Washington. She will be missed – her creativity, initiative and dependability were considerable assets to the daily management of our church, and a tremendous help to both the pastoral staff and the Leadership Team.

SO...that means we need to find a replacement. Details are as follows, but given the volunteer nature of the current position – we’re pretty flexible. The position, for now, is volunteer – our hope is that it becomes a paid part-time position in the near future, once we are in a financial position to do so.

- Probably 3-4 mornings a week, 3-4 hours per day.
- Skills required – ease with computers and programs such as Word, Excel, Publisher and PowerPoint, plus learning some church-specific programs.
- Duties – they will vary depending on needs of the church and of the pastor, but basically general office work such as typing, calendar management, bulletin prep, uploading website content, phone messaging/routing, material prep for congregational meetings and other similar functions.

Our time-frame is as follows: We hope to identify a candidate asap in April, train with Martha in May, and then start on their own the first week of June or so. Please see Michelle Peebles or Steve Patt if you feel led to accept this important role in the life of Community Covenant Church.

At least according to the calendar, it is Spring and time to think about gardening. The crocus and daffodils are blooming. Garden centers are gearing up and seed displays abound (I already have mine, and the peas are in the ground).

Remembering the bounty we enjoyed from our "Community Garden" last year, perhaps you've thought you'd like to plant vegetables and/or flowers in God's little green acre. Now is the time to reserve a plot or two. We already have two people signed up for (4) plots, and it's on a first come, first served basis. No gardening experience necessary. If you can make a hole for the seeds, pull weeds, and handle the hose for watering, you're all set. That, and commitment, is all it takes. Free advice is available for the asking. There is a nominal charge of \$10 which includes a 2-for-1 special. This money goes toward upkeep and maintenance. Don't miss out on this great opportunity.

See Sandy Brown for your assigned plot(s).
