COMMUNITY GARDEN

The snow is finally gone! The crocus are blooming, and the daffodils are not far behind. Garden centers are gearing up and seed displays abound. (I already have mine, and the peas are in the ground.)

Remembering the bounty we enjoyed from our “Community Garden” last year, perhaps you’ve thought you’d like to have a hand in producing vegetables and/or flowers in God’s little green acre. Now is the time to reserve a plot or two. We already have two people signed up, and it’s on a first-come, first-served basis.* No gardening experience necessary. If you can make a hole for the seeds, pull weeds, and handle the hose for watering, you’re golden. That, and commitment, is all it takes. Free advice is available for the asking. There is a nominal charge of \$10 per plot, which goes toward upkeep and maintenance.

Don’t miss out on this great opportunity. See Sandy Brown for your assigned plot(s).

*I understand Pastor Gillis’ wife, enjoys gardening also!
